As we continue to grow and become more adventurous within the business community, we have realized how important it is to take a long hard look at what we call our core values and how they define our true business practices. These core values have helped us shape and develop our culture, our brand, our style and our business strategies. The following are our new ten core values that we now live by:

1. Deliver the “WOW” Through Service

3. Create and Have Fun and a Little Weirdness
4. Be Open-Minded, Adventurous and Always Creative
5. Pursue Growth through Industry Education
6. Build Open and Honest Relationships with Communication
7. Build a Positive Team and Amazing Family Spirit
8. Do Much More With Less
